

PUBLIC NOTICE: ZIMRA MASTER DATA UPDATE

The Zimbabwe Revenue Authority, (ZIMRA), wishes to advise all its registered taxpayers that they should update their Master Data on any changes to the registration details which are in the ZIMRA database.

The Commissioner of Taxes hereby reminds all Taxpayers to update the ZIMRA Master Data to enable due process in the implementation of Tax and Revenue Management System (TaRMS).

It has been noted that some Tax Agents have used their e -mail addresses instead of the Public Officer's e- mail address or that of the individual taxpayer.

The Public Officers of these companies should be representatives of the taxpayers and all communication should be channeled to them and their e - mail addresses should be included in the Master Data.

Tax Agents will be registered in TaRMS through the Agents Module whereby they will be linked to their respective clients.

The Commissioner therefore, wishes to advise its esteemed taxpayers of an ongoing Master Data update programme, which specifically aims at updating areas that include taxpayers':

- a) Public officers' information**
- b) Physical address,**
- c) Bank account numbers both forex and ZWL**
- d) E- mail address of the Public Officer or of the Taxpayer,**
- e) Telephone numbers,**
- f) Industry**

All Taxpayers are encouraged to make use of the e-taxes platform to update their Master Data online by typing the following URL on the browser to access the e-Taxes system:
